discount!**

The Whole Child Academy is Long Island's only school dedicated to twice-exceptional (2e) students. Our highly trained staff specialize in engaging 2e students through individualized strategies, and our summer camp follows the same proven principles, guidelines, and methodologies as our academic year program. This ensures continuity in each child's growth, learning, and social-emotional development.

**Non-traditional
athletics**

Our team-building approach to non-traditional athletics fosters confidence, and inclusivity, ensuring that every student feels supported and successful.

**Hands-on shop
projects**

Our skill-building approach to shop class projects emphasizes creativity and hands-on learning, to develop practical abilities and build confidence.

**State of the art
tech modules**

Our interest-based approach to tech lessons allows students to explore coding and digital skills in a way that hones their curiosity and expertise.

**A mix of indoor &
outdoor activities**

Our clinical approach balances sensory, movement, and emotional needs, ensuring that students thrive across all environments.

SPEND YOUR SUMMER

at the Whole Child Academy

DO SUMMER YOUR WAY!

9-2 DAILY

Join us from 9 AM to 2 PM daily for a summer of fun, learning, and growth under the expert guidance of our academic team, clinical professionals, and trained counselors!

3 TWO-WEEK OPTIONS

You're welcome to join us for 2, 4, or 6 weeks of engaging summer programs! Sessions begin July 7th and run in two-week increments, offering flexibility and fun all summer long.

CUSTOMIZABLE MODULES

Join us for a summer tailored to your interests! Let us create a personalized program combining academic enrichment, fun tech activities, non-traditional athletics, hands-on creation projects, and clinical sessions for a truly engaging experience.

PRICE ROLLED BACK TO 2023 COST!

Each two-week session is **\$2,975.00** with multiple enrollment discounts, early enrollment discount, and OPWDD funding options available!
